

Hello Haymaker Families,

As things are ever changing in our world today, we find that we need to constantly make adjustments to keep up. With the increased number of cases of Covid, we need to make sure we are doing everything to keep our employees and families safe. Please know that we will update you and make adjustments as needed and as we receive any guidance from the county or state.

- Please follow all rules regarding masks and safety measures as outlined in our Covid guidelines. Please also educate your children on all rules.
- We will not be allowing guests this week. We will update this policy next week, but we need to make sure that the pool is accessible to members first.
- We reserve the right to deny entry if the pool grounds become too crowded to properly socially distance. If we are getting close to capacity we will send a Remind message. Please make sure that you sign up for remind- Text the message @Haymaker2 to the number 81010.
- Please follow all state and county recommendations for quarantining to protect the safety of our families.

Thank you all for your understanding and have a healthy and safe 4th of July!

Haymaker board
